

Oil massage and Peeling

The original scrubs that will certainly attract its smell and effect, you will find only in our salon. This original 100% natural product we import to you from Thailand.

Peeling is great for deep cleansing to remove dead skin cells, improves blood circulation, promotes skin hydration and stimulates the lymphatic system. With blood flow leads to the excretion of toxins, so it is suitable for this massage cellulite. The result is fresh and smoother skin of your body. Subsequent oil massage detoxify further support. Oil massage is known positive effects on the lymphatic system, in combination with peeling is the massage really the best thing for your body.

Green Tea scrub

Extracts of green tea protects us from UV rays.

This peeling gives skin flexibility, hydration and vitamin C, which strengthens and rejuvenates skin. Green tea is rich in zinc, it is very important for the healthy appearance of our skin.

Coffee scrub

Coffee scrub helps reduce appearance of the "orange peel" cellulite. The natural acids, which includes coffee, regenerates tired skin and improve its metabolism.

Peeling of the wheat

Peeling from wheat seeds, with sweet almond proteins, soy, allantoin and crushed shells of nuts. The peeling supports collagen in the skin allowing it supply elasticity.

Chocolate Peeling

Chocolate Scrubs leaves skin soft, smooth and rejuvenated.

It contains antioxidants, vitamins, minerals and amino acids and this is for our skin important. It releases stress and brings a sense of happiness.
